

About Lincoln Elementary School

Lincoln is a K-5 school located in Oakland's Chinatown community. Lincoln is a model school where students, teachers, staff and community members collaborate to promote student mastery of a challenging curriculum. Our goal is that every Lincoln student will become a creative, critical thinker and blossom into a caring citizen of a global community.

Golden Dragon Project

The Golden Dragon Project (GDP), is a volunteer 501(c)(3) organization that fosters academic knowledge, intellectual curiosity, imaginative thought, and social responsibility in Lincoln students.

The GDP works with the teachers and principal of Lincoln to supplement and support programs meeting these goals, and to raise and allocate funds to accomplish these goals.

Brandon Rush of the NBA World Champions Golden State Warriors visits Lincoln Elementary during the 2015 school year.

Corporate Sponsorship

Mayor Schaaf and Superintendent Wilson visit Lincoln Elementary

Funding Needed

Public education in Oakland suffers from a lack of sufficient funding. Despite a deficient school budget and a student body comprised of low income households, Lincoln has consistently rated 9 or 10 out of 10 in public school ratings (with 10 being the highest rating).

We are actively soliciting corporate sponsors who are willing to help partner with us to sustain our goal of excellent academics and educational enrichment programs through corporate sponsorship of the school.

Please help us keep educational levels high for the children of our Oakland Chinatown school.

Annual Sponsorship Levels

\$500: Company name and logo displayed on the annual Walkathon and Spring Carnival print promotional materials distributed to our 700+ families and posted throughout the community.

\$1200: In addition to the above, Company name and logo will be featured on our school's website for the entire year. The website receives ~ 550 unique visitors /month and 3000+ views/month.

Other Opportunities

Interested in partnering with GDP to increase your sales? GDP nights at restaurants and stores is one example of an effective marketing strategy. Donations of playground/school supplies or other items works too!
