**FOOD POLICY & LUNCH BAG**

Our school is part of the Community Eligibility Program which means all students will be receiving free meals this year.

Several of our students, however, bring their own lunches to school. **We are focused on the health of our school environment.** Please note that we do not allow “junk food” at school, which includes potato chips, candy, and gum. Please send your children to school with suitable healthy food. Also, if your child brings a lunch, please ensure lunch bags or boxes are labeled with the child’s name and his/her teacher’s name. We often have lost lunch bags or boxes. If your child has food allergies, please see your child’s teacher or the Lincoln front office to receive a form to request a modified menu from the school cafeteria.

**NO FOOTBALLS, TENNIS BALLS OR FRISBEES**

For the safety of the children and staff, footballs, tennis balls or frisbees are not allowed. Please make sure your child doesn’t bring these items to school.

**SAFETY CONCERN**

We need to keep our students safe when they come to school. All students are required to wear a  **Red Shirt.** Lincoln shirts are for sale in the Parent Center or any red shirt will do. Once students arrive to school, they need to stay on campus in either Yard A, B or C. The front door will be opened at 7:45 AM and there will be no adult supervision before 8:00 AM or after dismissal at 2:45 PM on Mondays, Tuesdays, Thursdays and Fridays, and 1:15 PM for TK-3 grades and 1:20 PM for 4 & 5 grades on Wednesdays. Students may not play on Yard C before school.

**DROP OFF ZONE**

Please do not drop students off on 11th Street. 11th Street is a very dangerous street with large buses and there is a construction going on and some metered parking are not available during the construction. We highly recommend all drop-off should take place on 10th Street. Please note that the drop-off zone on 10th Street is for drop-off only and parents cannot park or keep their car there. The Oakland Police Department will be patrolling our drop off zone. Cars that are double parked or left unattended will be ticketed.

**SCHOOL START TIME, TARDY POLICY, SCHOOL ENDING TIMES**

Parents, please ensure children are at school by 8:30 AM. If students arrive to class after 8:40 AM, they will be marked tardy and require a late slip from the office. In addition, all 3rd-5th grade students must line up with their class in Yard B before school and may not wait in the hallways or by the classrooms before school. In order for us to maintain safe hallways, we need to keep them clear of adults who do not have a visitor’s badge. Thank you parents for not walking through the school hallways until the dismissal bell rings @ 2:45 PM (1:15 PM for TK-3 grades and 1:20 PM for 4-5 grades on minimum days). Entering the hallway early disrupts the students and teachers. Thank you for your assistance!

**VISITORS ON CAMPUS**

<b>SCHOOL VISITOR</b>	
Name	
Date	

All visitors must sign in at the school office located in the main building and wear a Visitor’s badge prior to entering any other part of the campus. California penal Code 627.2 prohibits visitors from entering or remaining on school grounds without permission. The violation of California Penal Code Section 627.2 is an infraction and violators will be sited.
